

General Family Information

Hammersmith is a family-oriented hybrid school. That means that we don't accept individual students, but rather families as a whole. One parent is required to attend and fill a role as teacher, teacher's assistant, or childcare provider. Please list all family members below.

Admission Process Information

Acceptance of any family to Hammersmith is a decision of the Hammersmith leadership team. Acceptance is based on the compatibility of the school, family, and the children in addition to practical considerations (class size limitations, etc.). There are many approaches to home education a family may choose; attending Hammersmith School requires alignment with our religious beliefs, philosophy of education, and commitment to habit formation. This all means that we need to get to know you a bit. In addition to filling out this application you'll need to:

1. Visit Hammersmith (without your children)
2. Read *For the Children's Sake*, by Susan Schaeffer Macaulay
3. Read through the admissions packet
4. Interview with the Leadership Team

What questions do you have for the Leadership Team?

I have completed this application to the best of my knowledge, read *For the Children's Sake*, and read through the admissions packet. I understand and support the mission of Hammersmith School and release the leadership of Hammersmith to review and process information about my family. I understand that this information will be kept on file with Hammersmith School.
